Add A New Host To Case40 - Mozilla Firefox

Add A New Host To Case

localhost:9999/autopsy?mod=0&view=7&case=Case40&x=123&y=13

Most Visited Getting Started

Case: Case40

ADD A NEW HOST

1. **Host Name:** The name of the computer being investigated. It can contain only letters, numbers, and symbols.

laptop;40

2. **Description:** An optional one-line description or note about this computer.

3. **Time zone:** An optional timezone value (i.e. EST5EDT). If not given, it defaults to the local setting. A list of time zones can be found in the help files.

4. **Timeskew Adjustment:** An optional value to describe how many seconds this computer's clock was out of sync. For example, if the computer was 10 seconds fast, then enter -10 to compensate.
